Dear Parents/Carers

### Parent/Carer Survey January 2025

A sincere thanks to all those who took the time to complete our survey. Your views and opinions are a vital part in helping us to continue to improve. We received 383 responses and would welcome more responses next time.

Rather than rest on our laurels and be content with those that are happy with our provision, we would like to focus on those of you who are not currently 100% happy. Therefore, if you ticked any of the 'Disagree' boxes, we strongly encourage you to make contact with the member of our Leadership Team responsible for the particular area that you believe needs further development. This will give you the opportunity to discuss your concerns, share your ideas and help us move forward together.

It is so important that you continue to share your views and opinions with us. Tell us how we can further enhance how we work together effectively.
