

16- 19 Tuition Fund

This documents how Mayflower High School are using the 16-19 tuition fund in line with DfE guidance to prioritise support for disadvantaged students.

During the year 2020/21 Mayflower High school have used this funding for small group tuition and 2-1/1-1 support to meet individual learning needs of students disadvantaged by the coronavirus disruption and who did not achieve a level 4 in their English and/or maths. This extra tuition enables them to access their chosen curriculum courses. Students were chosen on the basis that they would under normal circumstance, have achieved the required level.
