

Dear Parent/Carer

Subject teachers have been sharing with their students the dates of any planned additional mini-assessments that will be held to help inform staff as they prepare recommended Centre Assessed Grades that will be replacing the GCSE/BTEC examinations in the summer.

These conversations started during the virtual Year 11 Parents' Evening on Thursday 18 March. However, a number of parents have requested a full overview of these assessments and their timings.

With this in mind, please find attached two documents that provide a schedule of the relevant dates; firstly, in subject order and secondly, in chronological order. I hope your son/daughter finds them useful when planning their revision and/or preparation.

Yours faithfully

Mr Rhodes

Assistant Headteacher
