This Policy is effective until superseded

Statutory Requests for Information Policy

It is a legal requirement for all schools to comply with the Freedom of Information Act 2000 (FOI), the Environmental Information Regulations (EIR), the UK General Data Protection Regulations, the Data Protection Act 2018, and the Education (Pupil Information) (England) Regulations 2005.

This policy sets out the rules all staff, governors, contractors, and volunteers must follow when managing these statutory requests for information.

Policy rules:

1. We must **correctly identify** the law which applies to the information being requested and manage the request in compliance with that law
2. Information should be **released** unless there is a strong legal justification for withholding it.
3. Whenever we **refuse** to provide information, we must clearly and fully explain the reasons why
4. We must provide **advice and assistance** to people making a request.
5. We must always try to **reply** as quickly as possible, but always within the legal deadline.
6. All employees must promptly **provide** all relevant information to a request coordinator if asked for it
7. If we decide to **charge** for information, we must do so in accordance with a published policy.
8. Where reasonable and practical, we must provide the information in the **format** requested by the requester.
9. When we respond to a request, we must tell the requestor about our **internal review** process.
10. When responding to a complaint, we must advise the requestor that they may **complain to the Information Commissioner's Office (ICO)** if they remain unhappy with the outcome.
11. We must maintain an up-to-date **Publication Scheme** available on our website to meet our obligations under FOI/EIR

How must I comply with these policy rules?

We have related policies, procedures, and guidance which tell you how to comply with these rules. These include:

- Records Management Policy
- Data Protection Rights Procedure
- Publishing for Transparency Procedure
- Subject Access Request Procedure
- FOI – EIR Procedure
- Statutory Requests for Information Guidance
- Retention Schedule

If you are unsure how to comply, you must seek advice and guidance from your Data Protection Lead.

What if I need to do something against this policy?

If you believe you have a valid business reason for an exception to these policy points, having read and understood the reasons why they are in place, please raise a formal request by contacting the school office via the telephone 01277 623171 or by email educate@mayflowerhigh.essex.sch.uk

Breach Statement

Breaches of Information Policies will be investigated and may result in disciplinary action. Serious breaches of Policy may be considered gross misconduct and result in dismissal without notice, or legal action being taken against you.
