

8 January 2026

Dear Parents and Carers,

### **Parental Survey – Thank You for Your Feedback**

Thank you to everyone who took the time to complete our recent parental survey. We received 217 responses, and we are sincerely grateful for your continued engagement and support. Your feedback is vital in helping us reflect, refine, and improve what we do here at Mayflower High School. We are delighted that 92% of parents/carers completing the survey would recommend Mayflower High School to another parent.

We want to assure you that we are carefully reviewing all the responses. Your views play a key role in shaping our continued development across all areas of school life. We can use feedback to address the comments raised in each year group.

While we are pleased to hear from those of you who are happy with our current provision, we are particularly keen to hear more from those who shared concerns. If you selected any of the 'Disagree' options in the survey, we strongly encourage you to contact the relevant member of our Leadership Team. By discussing your concerns directly, you can help us better understand your perspective, share ideas, and work together on meaningful improvements.

We truly value your partnership. Please continue to share your views and let us know how we can enhance our work together.
